

CRISIS RESPONSE KIT

Crisis Response Kit

Prepared to Save Lives

The Crisis Response Kit is crafted for everyday individuals to respond with confidence to overdose response, harm reduction, and drug safety. The 'grab and go' design equips communities with the critical tools they need to save lives.

What's Inside:

SAFE DISPOSAL

- ▶ **4oz Rx Destroyer Drug Disposal**
Disposes & neutralizes unused substances to prevent misuse and accidental exposure
- ▶ **Portable Sharps Container**
Protects users and responders from needlestick injury

OVERDOSE TOOLS

- ▶ **Naloxone (optional)**
Reverses opioid overdoses
- ▶ **Fentanyl & Xylazine Test Strips**
Detects the presence of Fentanyl and Xylazine

FIRST AID

- ▶ **Alcohol & Antiseptic Wipes**
Sanitizes the body and surfaces
- ▶ **Adhesive Bandages**
Treats small superficial wounds like cuts and injection sites
- ▶ **CPR Face Shield**
Provides a protective barrier between the responder and the patient
- ▶ **Nitrile Gloves**
Non-latex and puncture-resistant for safe handling

EMERGENCY GEAR

- ▶ **Medical Tear Away Bag**
Designed to instantly mobilize all critical emergency tools
- ▶ **Glow Stick**
Provides visibility in low-light situations and can be used as a signal to call for help
- ▶ **Emergency Blanket**
Helps maintain warmth and stability of patients
- ▶ **Kit Contents & Verification Checklist**
Logs and verifies all contents to keep your kit complete
