

What to do with **unused medications?**

Do your part to combat the opioid crisis at home!

RX DESTROYER ACCEPTS **ALL FORMS** OF MEDICATION, INCLUDING:

- ✓ Pills & Tablets
- ✓ Narcotics
- ✓ Lozenges
- ✓ Powders
- ✓ Capsules
- ✓ Suppositories
- ✓ Liquids
- ✓ Injectables
- ✓ Patches
- ✓ Creams
- ✓ Lollipops

Our Rx Destroyer products help you to empty your medicine cabinets safely, securely and sustainably! Simply drop unwanted or expired medications into the container, agitate, and start to deactivate immediately. Continue to fill until contents are 2 inches from top and dispose into common trash.

From 1999 to 2017, more than 200,000 people died from overdoses related to prescription opioids, with more than 17,000 prescription opioid overdose deaths occurring in 2017.

At-Home medication management and safe deactivation is a critical component of managing preventable drug abuse.
